Dear Sir

Re: Corporate Health and Safety Management System accreditation.

I am pleased to advise Business Systems Certification has reviewed and accredited the Corporate Health and Safety Management System of WGE Group in accordance with the requirements of the NSW Governments OHS Management System Guidelines - 5th edition. The accreditation expires on the 15th of April 2017. However, if there is any change to the NSW Governments OHS Management System Guidelines, WGE Corporate Health & Safety Management System has to be reaccredited.

Should you have any further inquiries in relation to this matter please contact the undersigned.

Yours sincerely
